8.1. By motion duly made and seconded it was unanimously RESOLVED to approve the minutes of the June 27, 2019 regular meeting.

9. PUBLIC INPUT FOR MATTERS NOT OTHERWISE ON AGENDA

Vail Recreation District July 25, 2019 Meeting Minutes

9.1. Mr. Cacioppo stated that he is opposed to the town taking open space and turning it into something else, in regards to a proposed employee housing development on the Vail Golf Course. He mentioned the town charter and that it may require Town of Vail voters to approve any sale of open space to a developer. He also said that town council could call up and overturn a decision by an unelected planning commission, if they were to go ahead with such a proposal.

10. PRESENTATION OF VAIL SCHOLAR ATHLETE AWARD WINNERS

- 10.1. Mr. Ortiz introduced the two Vail Scholar Athlete Award winners and said this year was a hard choice with the most applications ever submitted to the VRD. The award is a \$4K award, with \$1K given each year if the student stays in school and maintains a C average.
- 10.2. Mr. Ortiz introduced the female Vail Scholar Athlete Award Winner as Miss Addison Nothnagel, an EVHS graduate with a 4.6 GPA who will attend Ithaca College in New York for their six-year physical therapy program. Miss Nothnagel was a very dedicated member of the Vail Gymnastics Center competitive team since 2012 and achieved Level 9, even while overcoming an injury.
- 10.3. Mr. Ortiz next introduced Mr. Cameron Wolfe as the male Vail Scholar Athlete Award Winner. Mr. Wolfe graduated from VMS with a 4.0 unweighted GPA. He will be attending Dartmouth College, which he chose for their strong academics and ski team. He intends to major in mechanical or electrical engineering. In high school, Mr. Wolfe was an accomplished scholar, Nordic skier and baseball player.

11. GAME BALL AWARDS

- 11.1. Mr. Ortiz asked to move the game ball awards before the Civic Area Plan discussion.
- 11.2. Mr. Ortiz recognized numerous VRD employees for outstanding work. These employees included Gymnastics Coach Ms. Danielle Salinsky, Assistant Finance Director Mrs. April Heredia, Dobson Ice Arena employees Mr. Andy Holland and Mr. Scott Zessin, Marketing and Communications Director Mrs. Jessie Klehfoth, Community Programming employees Mr. Chad Young and Miss Jerrica Miller, Nordic Director Mr. Dan Timm, Director of Parks Maintenance Mr. Jim Sanders, Sports Director Mr. Joel Rabinowitz and Director of Operations and Facilities Mr. Scott O'Connell. Mr. Ortiz spoke about each employee and their contributions to the VRD team.

12. REVIEW OF CIVIC AREA PLAN

12.1. Mr. Ortiz gave an overview of a recent town council meeting in which the Civic Area Plan was discussed. He reminded the board that this is a master

Vail Recreation District July 25, 2019 Meeting Minutes

plan, not a development plan. They are not deciding the fine details of each facility, but the master plan for the area. Mr. Ortiz expressed some concerns about the discussions around Dobson Ice Arena in the plan so far and explained to the board that VRD needs to still be able to host special events in any future facilities in order to maintain a reasonable subsidy. Currently, special events in Dobson reduce the subsidy by almost \$120K. He said it's not in the best interest of taxpayers in Vail to subsidize ice even more, if Dobson becomes a utilitarian ice rink with no ability to host special events.

- 12.2. After some discussion, Director Saalfeld encouraged the board directors to attend future town council meetings where Vail Civic Area plan will be discussed and give input to encourage and be supportive of the council and be there for information, but also look out for VRD's best interests and financial sustainability.
- 12.3. Mr. Cacioppo gave public input regarding a proposed conference center in the Vail Civic Area plan and how Vail taxpayers have already opposed this development type twice in the past. He also said that Avon is considering a convention center, hotel and parking structure, which would be too close of competition to a Vail facility. He stated he disagreed with adding a conference center at the expense of parks and recreation and would like to see Dobson rebuilt bigger and possibly with a second sheet of ice.

13. JUNE 2019 FINANCIALS

13.1. Mr. Weaver stated that June saw VRD financials playing a lot of catchup. Revenues were down because of weather and expenses favorable because of late starts. Overall, he stated there were no major concerns. On the expense side, he talked about the need to hire a new HR employee, but the challenges of limited VRD office space. He stated that capital projects were forecasting to be about \$700K favorable due to cost savings on projects and a 15% contingency that was not needed. Mr. Weaver expects to roll most of that forward, with the exception of some equipment purchases made now that were budgeted for future years.

14. EXECUTIVE DIRECTOR INPUT

- 14.1. Mr. Ortiz asked the board to read through the staff report attached to the packet. He highlighted that there will be a local memorial for Mr. Bill Wright at the Vail Tennis Center on Aug. 22 and a dedication ceremony at the golf course for Mr. Ben Krueger on Oct. 10.
- 14.2. Mr. Ortiz challenged all Board members to get a team together for the Businesses, Bogeys and Bragging Rights on Sept. 5, the VRD's annual scholarship fundraiser.
- 14.3. Mr. Ortiz thanked the Board for the meeting time to honor people who work really hard, both the scholarship winners and the staff.

Vail Recreation District July 25, 2019 Meeting Minutes

14.4. Finally, Mr. Ortiz encouraged the community and town council to go around to the different VRD facilities and see how much participation there is at every facility, in every program, every day. He thanked the Board for seeking the mill levy increase and setting up the VRD for future success. He stated that people should be very proud of what the recreation district does in this little community and how many people are impacted every day.

15. BOARD MEMBER INPUT

- 15.1. Director Plante congratulated Miss Nothnagel and Mr. Wolffe on their scholarships. He also thanked Mr. Ortiz for doing an excellent job and keeping staff going. He thanked Mr. Biniecki for putting numbers on Dobson usage and participation together.
- 15.2. Director Suarez reflected back on his Board tenure and said he is proud of the organization and is happy he chose to serve on the Board. He said tonight's meeting really sent it home, he's honored and proud that the VRD is taking care of kids with scholarships and staff with recognition.
 - 15.2.1. Mr. Ortiz thanked Director Suarez for all he's done for the VRD while serving on the Board.
- 15.3. Director Kjesbo stated that serving on the Board is very much a privilege that starts with Mr. Ortiz and the incredible staff he has assembled. He said it makes it easy for him to serve on the Board.

16. ADJOURNMENT

16.1. Upon a motion duly made and seconded it was unanimously RESOLVED to adjourn the Regular Meeting of the Vail Recreation District Board of Directors.

Respectfully Submitted, Jessie Klehfoth Secretary to the Meeting

Vail Recreation District 2020 Preliminary Budget Overview

General Overview

The following is a brief summary of the condensed preliminary budget found on page 2 of the September 30, 2019 financial report.

Revenues

- Taxes The assessed valuation of the District, after deduction for the Lionshead TIFF, increased 12.3% for 2020 due to new construction and it being a revaluation year by the county assessor. However, multiple hotels within the District are in their third year of disputing their valuations. Therefore, we are budgeting for these valuations to decrease which will result in fewer taxes collected in 2020 and adjusting for 2018 and 2019 taxes to be abated. The operations mill levy of the District will adjust from 3.760 to 3.888 mills due to the decline in the state-wide residential assessment rate from 7.20% to 7.15%. For operations there will also be an abatement mill levy of 0.017 mills imposed to recoup prior year abatements. The mill levy dedicated to payment of the Dobson bonds will automatically decrease from 0.248 mills to an estimated 0.233 mills for 2020. This is the final year of the Dobson bond mill levy as the bonds will be paid off. Specific ownership taxes on motor vehicles are also included in the tax amounts, which are estimated to be 4.5% of property taxes. Deducted from these revenues is the 3% fee for collections withheld by the Eagle County treasurer.
- Other Non-Departmentalized This includes interest revenues and funds received from lottery ticket sales. 2019 was higher than 2020 due to a rebate from our health insurance provider in 2019 that will not repeat in 2020.
- **Sports** 2020 revenues will be relatively comparable to 2019 with some programs expected to have minimal increased rates and participation.
- **Gymnastics** 2020 revenues will be relatively comparable to 2019 with some increased participation. Both years show an increase in revenues due to hosting a meet.
- **Community Programming** Revenues are expected to rebound as KidZone programming will be back to normal in Red Sandstone Elementary. Bike and other camps will continue to grow in 2020.
- Nature Center This program was transferred to the Town and as such there are no revenues or expenses for 2020.
- **Nordic -** Operating revenues have been estimated based on our first two seasons and we are assuming it will be an average snow year based on the extremes of the past two seasons.
- Golf Revenues are expected to be in line with 2019 after being down significantly in 2018
 due to the condition of the greens and fall construction projects. Increased cart fees for a new
 fleet equipped with GPS will help to boost revenues.
- **Tennis** Revenues are expected to remain consistent with 2019.
- Pickleball Revenues will decline as we move out of the complexities of offering retail sales and focus on programming.
- Dobson Most revenues are expected to remain consistent with 2019, but we will add bumper car rental revenues for machines purchased in 2019.
- Golf F&B / Banquet Room Revenues are largely expected to remain consistent as rates were largely held constant from 2018 to 2019 due to pre-bookings in 2018 for the banquet room.

Operating Expenses

- Personnel Continued significant increases in hourly wages are budgeted for 2020 to keep
 up with the labor shortages being experienced. Year-round salaried staff are budgeted to
 receive an average of a 1.8% pay increase as well, weighted more heavily towards
 employees at the lower end of the pay scale. Additional merit bonuses for outstanding
 performance, if given, would be funded through a portion of the contingency line item if
 available.
- Administration 2020 will include an additional full-time human resource manager, lowering
 the costs of outside consultants to partially offset the additional expense, caused by the
 growing number of staff and accounting transactions from to Nordic, food and beverage,
 pickleball, and other program expansions.
- Public Relations Generally consistent with 2019.
- **Park Maintenance** Justin will be taking over for Jim who is retiring and is proposing additional materials and labor to better prepare the fields for events in 2020.
- Facilities Maintenance 2020 budget is consistent with 2019 as there is little room for change due to the majority of expenses being payroll and benefit driven.
- **Sports** Most items generally consistent with 2019.
- **Gymnastics** Most items generally consistent with 2019, with increased expenses for anticipated increased meet and programming participation.
- **Community Programming** Costs will increase as after school program is back in Red Sandstone Elementary, most other items generally consistent with 2019.
- **Nature Center** This program was transferred to the Town and as such there are no revenues or expenses for 2020.
- **Nordic -** Due to a successful 2018/2019 season we are replacing a large portion of the rental fleet in 2019. 2020 will generally see an increase in staffing costs with a decrease in rental fleet replacements.
- **Golf Operations** Most items generally consistent with the 2019 with the exception of adding a full-time position for assist Alice, and also work in Nordic during the winter season.
- **Golf Maintenance** Most items generally consistent with 2019, planning to increase hourly wages but hire fewer positions to keep costs consistent.
- **Tennis** Expenses largely in line with the 2019, with the exception of labor cost increases.
- **Pickleball** Planning to decrease staffing levels and remove the retail portion of the program to keep it viable for the long-term.
- **Dobson** Maintenance costs continued to rise on the aging facility, most of other costs consistent with 2019. Expenses include food and beverage as well as general operations.
- **Golf F&B / Banquet Room -** Significant increase in labor costs to be able to adequately staff the operation, which has been a challenge for multiple years.

Debt Service and Capital

- **Debt Service** The only remaining debt service costs consist of the Dobson bonds, which are paid for through the offsetting property tax mill levy. These bonds will be paid off in 2020.
- Capital With golf course construction projects wrapping up in 2019, 2020 will include a number of smaller items including but not limited to:
 - Replacing equipment/vehicles
 - o Routine building maintenance
 - Golf course cart path overlays
 - Net replacements
 - Dobson rink chiller system overhaul
 - o Tennis center interior remodel
 - o Golf maintenance interior facility remodel
 - New fleet of golf carts, including GPS
 - Plantings along Gore Creek and additional trees along hole #4
 - Costs also include 15% for contingency.

Contingency - A contingency line item of \$200,000 has been included for unforeseen swings in operating revenues or expenses.

Fund Balance - The 2020 budget calls for revenues to be nearly equal to expenses, with just a \$100,000 increase in fund balance. Fund balance is estimated to end 2020 at roughly \$4,350,000, allowing the District to maintain \$1.5 Million for operations, \$320,000 restricted for emergencies by TABOR, and \$150,000 for non-spendable items such as prepaid insurance and golf/Nordic/food & beverage inventory. The capital reserve fund of \$2,400,000 will be carried forward for spending on projects in future years.

VAIL RECREATION DISTRICT DIRECTOR REPORTS October 24, 2019

MARKETING

- Marketing is working on redesigning the VRD website. The purpose is to continue to
 modernize the look, make it easy for users to find the information they are looking for,
 continued optimization for tablets and mobile devices, and add more interactive content
 including maps, videos and more photo slideshows. Jessie is also adding more sorting
 functionality, especially for our youth programs, so it's easier to find programs by age and
 season.
- Marketing just completed the all-VRD winter brochure and it is at the printer now. This will be distributed at all facilities, welcome centers and local hotels.
- We've been busy on other winter collateral including Trick or Treat Trot marketing, Tricks for Treats, School's Out Camps, Nordic maps and brochures, website updates and youth and adult sports.
- Jessie is looking into new email marketing systems for more efficient delivery and tracking of VRD messaging.
- Digital, newspaper and radio ads are in place for all VRD fall and winter programs.
- Jessie attended the National Recreation and Park Association annual conference in Baltimore. Mike Ortiz and Director Kim Rediker were also in attendance.
- Jessie and Nell will be going to the Adobe Max conference in November, and look forward to learning about new creative trends, software and marketing systems.

GOLF

- Golf season came to an end on October 15. We had a successful year with strong revenues and a solid number of total golf rounds. We had a total of 22,786 rounds and exceeded our green fee revenue to budget with a total of \$757,624. (our target was \$730,000). Our golf shop retail sales were strong as well. Our retail gross total sales were \$245,352. Our green fee revenue for October was significantly better as we did not aerify the greens. We continued to charge our full fall rate of \$79 for the first two weeks of October. This year, our total green fee for October was \$21,035 compared to \$4,048 in 2018 and \$4,130 in 2017. We also sold a record number of headwear at a total of 1,116 hats!
- Staff attended the fall golf merchandise show in Denver on October 8. We looked at all the new apparel and equipment coming out for the spring and summer of 2020. We will write and place orders starting next week.
- We are spending the week doing inventory, cleaning all areas of golf operations and storing items for the winter. We have professional cleaning next week: cleaning carpets, rubber flooring in the Nordic lodge and the cart barn floor.
- We are excited to have the majority of our staff committed to returning to the Vail Golf Club
 next year. We have several young men who have interned with us and will have their PGA
 class A status who are returning next season including: Jesse Campbell, Ethan Neumann
 and Mike Bandoni. Nathan Mead, George Hart and Trey Johnson plan to return as well.
- Staff attended the PGA West Chapter meeting in Carbondale early in the month. Alice is a
 current board member of the West Chapter. Trey Johnson and Nathan Mead competed in
 the two-day West Chapter Championship. Nathan Mead finished tied for 18th place and
 made a check.

GOLF MAINTENANCE

- Thank you, Director Ortiz and Board, for approving an earlier than scheduled closing of the golf course, as it now appears highly likely to be the earliest permanent snow cover since my tenure began here. I'm sure your decision to do so was met with some dissenters, but considering today's snow accumulation (Oct. 18) and the updated forecasts for potentially significant snow on Sunday and Monday, I believe it was the correct decision. We simply would not have been able to accomplish everything needed in order to winterize the golf course without closing on Tuesday.
- As of Thursday evening, the following critical tasks were completed:
- Greens were treated with fungicides for snow mold prevention
- Greens were Dry-ject aerated on Wednesday and Thursday
- Greens were topdressed with sand for protection against desiccation
- Fairways, tees, and the driving range tee were treated with fungicides
- The golf course was fertilized wall to wall, all 75 acres on Wednesday
- All course accessories were removed and placed in storage
- Asphalt overlays on holes 9 and 14 were completed Wednesday as the sun was setting
- With snow accumulation on Friday, there are a few miscellaneous tasks yet to complete in the next several days:
- We must wait to remove the lower driving range netting
- We need to stake and rope off perimeters of greens complexes
- The compressor for the irrigation system winterization/blow-out arrives on Tuesday, Oct. 22, and we should have the system blown out by the end of the day on Thursday or Friday.
- Once we have completed the last few remaining items on the golf course, we will begin setting stakes and signage for the interior portions of Nordic trails nearest the clubhouse/Nordic center.

SPORTS

- We have had lots of meetings with key partners to recap 2019 and begin the planning process for 2020.
- The Bloch and Chapleau Winter Grail Series will evolve to a three-race series this year. For 2020 the race series will consist of a new Beaver Creek Uphill and Ski Mountaineering race on January 19, the Vail Uphill on February 16 and Shamrock Shuffle on March 14.
- We have taken over the Holiday Ugly Sweater Run in its entirety. The event will take place
 on December 14 in the morning and will run a looped course starting and finishing at Bart &
 Yeti's. We have partnered with two non-profits Our Community Foundation's mobile food
 bank and Toys for Tots to make this a free fun family event with a donation of food or toys.
 Our hope is to make this a holiday tradition in the spirit of the EagleVail Turkey Trot.
- The adult sports open gym schedule is as follows:
 - o Mondays Basketball at Red Sandstone, 6-9 p.m.
 - Tuesdays Soccer at Red Sandstone, 6-9 p.m. (starts on Dec. 1)
 - Fridays Volleyball at Red Sandstone, 6-9 p.m. (currently ongoing at HPS, will move back to Red Sandstone after Thanksgiving)
- Adult indoor leagues will start on Wednesday Oct. 23 with coed volleyball. Basketball and winter volleyball will commence after the Christmas and New Year holidays.
- Youth sports offerings this winter will be held after school at Homestake Peak School auxillary gym and include:

- Youth volleyball, grades 3-6, Mondays beginning Dec. 2, coached by VMS and Vail Volleyball Head Coach Whitney Armistead
- o Youth futsal, grades 1-2, Tuesdays beginning Dec. 3
- Youth futsal, grades 3-5, Thursdays beginning Jan. 23
- Youth basketball, grades 1-2, Tuesdays beginning March 10 and grades 3-5 on Thursdays beginning March 12.
- Beth and Joel will be helping a timing company time the Eerie Erie next Saturday, to investigate a new chip timing product that has been recommended by our race timing consultant.
- Staff is currently investigating the feasibility of adding a Labor Day softball tournament and an ultra-distance (marathon plus) trail running race to our offerings.

COMMUNITY PROGRAMMING

- Imagination Station has been hosting three to six families per day through October. We have the occasional busy day with eight to 10 families, or folks that want to work on pottery or VR.
- We hosted the first Cocktails & Canvas on Wed, Oct. 9 Tree Branch Coat Racks with Caleb. We had 16 participants and a lot of fun!
- After School has mid-twenties every day. There was no PwrHrs the week of Oct. 7 and we saw low thirties every day during this week.
- We hosted five days of School's Out Camp the week of Oct. 14-18. We had mid-twenties in camp every day. The days went smoothly, kids had fun, and parents were happy for the service.

PARKS

- Still have some leagues finishing up in the next week or so: youth soccer, flag football, 8v8 soccer.
- We are shutting some fields down for the winter, putting fertilizer, seed and fungicides out.
- The fields have been aerated and the water shut down and blown out.
- Tennis Center is shut down, Booth Creek nets are still up, as are pickleball nets.
- Overall the fields are in good shape going into winter.
- We will be cleaned up and ready by the end of October.

GYMNASTICS

- The first Vail Classic Invitational competition was held at Dobson Ice Arena on Sept. 21 and 22. The competition hosted 120 gymnasts from across the state as well as our neighboring state Wyoming.
- The level 3 through level 5 team traveled to Aspen Gymnastics on Oct. 12 and 13. The level 5 team placed fourth overall.
- The level 3-5 competitive team will travel to Lakewood, Colo. for the PINK Ribbon Invitational on Oct.19 and to Boulder, Colo. on Oct. 27.
- Vail Gymnastics will be hosting a Halloween-themed Parents Night Out on Friday, Oct. 25 from 6-9 p.m. and will feature a haunted house, tricks for treats and a Halloween movie.

PICKLEBALL

- This year's Vail Pickleball Open (formerly the Vail Western Slope Regional Pickleball Tournament), was successfully held Aug. 13-18 at Golden Peak. We had 267 players registered from 18 different states and three countries. This year's event included a pickleball pro event with a cash purse and drew 45 of the tops pros in the world including this year's U.S. Open winners Ben Johns and Kyle Yates. Every pro we heard from said the tournament was well run and that they planned to return to next year's tournament. This year's tournament drew approximately 500 spectators during each day of pro competition, and we expect that number to grow next year. Pro Pickleball Media covered this year's tournament with live streaming and six cameras placed to record pro events for later viewing on YouTube.
- This summer VRD Pickleball offered weekly junior pickleball camps, Monday through Thursday from mid-June to mid-August, and we expect the number of children playing during the summer at Golden Peak to continue to increase.
- During this summer's outdoor season, especially during July and August, the Golden Peak Courts were packed between 8 a.m. and 8 p.m., with drop-in play, Camp Vail sessions, junior camps, clinics, lessons, the Vail Open tournament, wedding parties, birthday parties, corporate groups and more.
- Outdoor drop-in pickleball continues to be offered at Golden Peak daily, weather permitting, from 10 a.m. to 3:00 p.m. When we close Golden Peak for the winter, we will play indoors at Red Sandstone Elementary School on Wednesday and Thursday nights and on Saturday and Sunday mornings.
- Winter and annual VRD pickleball passes are currently on sale and can be purchased at drop-in sessions or online at the VRD website.
- Overall the pickleball program continues to grow and revenues are up year-to-date by 45%.
