#### 10. SEPTEMBER 2015 FINANCIAL REPORT

- 10.1. Mr. Weaver gave some highlights from this month's financials. The most notable is that Golf Operations which was behind budget due to bad weather in the spring has had a great fall and has been able to make up the deficit and are now on budget.
- 10.2. Expenses for operations are 5% favorable and he predicts that we will finish favorable in both income and expenses for the year.
- 10.3. All capital will be reviewed and prioritized and brought back to the board.

#### 11. EXECUTIVE DIRECTOR'S INPUT

- 11.1. Mr. Ortiz reviewed the following items:
- 11.2. He gave a brief history of pickleball and how the district started out with two courts and have slowly progressed to the four courts that we currently have. During the four years that we have had this program we have not had one noise complaint. The District began charging for play in 2015. The number of contacted users this summer was 119 including 25 Vail residents. There have been many concerns voiced recently and these concerns prompted the Vail Town Council to see and hear the game for themselves. The VRD feels like we have gauged the need of the district residents and that we are supporting this need.
  - 11.2.1. Director Suarez reiterated what Mr. Ortiz had stated with the history. He also feels that the District has listened to all sides and has proceeded slowly enough and made the decisions it has to better serve our whole recreation community.
  - 11.2.2. Directory Wiles asked what the Town Council thought.
  - Mr. Ortiz stated that no statements were made at this time. The council wants more time before they take on public input on this issues.
- 11.3 Mr. Ortiz gave an update on the Golf Course. The closing day is October 24, 2015. Currently they are paving ½ of the parking lot, so parking is available on the east side of the lot. Staff is there and available to help greet and assist with gear to the first tee.
  - 11.3.1 Director Saalfeld asked if the end of October is still a good date to close the golf course or if it should be changed.
  - 11.3.2 Directory Suarez stated that he believes a hard start and close date is a better choice for employees.

#### Vail Recreation District October 22, 2015 Meeting Minutes

- 11.3.3 Director Foley wanted to recognize the staff at the golf course. They have done a great job during construction. They have done an outstanding job of greeting and assisting the public.
- 11.3.4 Mr. Ortiz explained that tee times were spaced 20 minutes apart instead of the usual ten to accommodate the parking challenges of the site. He explained that there was not enough time to get golfers in and out. He also explained that by May 15, 2016 90% of the spaces will be available and by June 15 we should be back to 100% which will be 127 spaces.
- 11.3.5 Director Foley encouraged golfers to car pool during this paving time.
- 11.3.6 Director Saalfeld asked about the Nordic trailer and how this affects the driving range.
- 11.3.7 Mr. Ortiz advised that the size of the driving range will be limited next summer. Also, that the trailer will be moved out next fall.
- 11.3.8 Director Saalfeld advised that we should get information out about what to expect early so that golfers are well informed.
- 11.3.9 Mr. Ortiz also explained that the chipping green is moving due to the two new lift stations that are being put in. There will be no effect to the putting green. The old 18<sup>th</sup> will be the new practice chipping green.
- 11.3.10 Directory Wiles inquired what kind of maintenance was going to be required to repair driving range.
- 11.3.11 Mr. Ortiz stated there will be proposals to take out west walls and re-do the range. He also stated that this and all other projects are what will need to be addressed when there are talks about a mill levy increase.

#### 12. BOARD MEMBER INPUT

- 12.1. Director Foley shared with the board that he is currently running for the Vail Town Council and that he is currently speaking to the town attorney to see what his options are as far as staying on both boards. He also shared how great the new skate park is in the Lionshead parking structure. He encouraged all to go visit and wanted to say thanks to Chad for his participation in making this a reality.
- 12.2. Director Saalfeld wished Director Foley luck and stated that this board would hate to lose him. Director Saalfeld also inquired on how the last event at Dobson went.
  - 12.2.1 Mr. Ortiz stated that it was a success overall. He also stated that if the Town of Vail is looking at how to add more events at Dobson that we would have to learn how to turn events over quicker.
  - 12.2.2 Director Saalfeld also wanted to say what a great job Alice and all of her staff have done this year.
  - 12.2.3 Directory Saalfeld also inquired if perhaps an airlock may be needed on the temporary trailer out at the golf course.

#### Vail Recreation District October 22, 2015 Meeting Minutes

- 12.2.4 Mr. Ortiz stated he wasn't sure if one could be added. It did not make it into the original budget. Mr. Ortiz also added that there will be no public skier parking at the golf course this winter.
- 12.3 Director Wiles stated what a benefit it was to have the Vail Soccer Club tournament in October. The event brought many families into Vail for the weekend. He would like to have what is available to do in Vail sent to families prior to their visit to help them enjoy all that Vail has to offer.
  - 12.3.1 Mr. Ortiz wanted to recognize both Joel and Jim for the great job they did getting the fields ready for this tournament.
  - 12.3.2 Director Suarez thought it would be nice to try and quantify the revenues that this tournament brings to Vail.

  - 12.3.4 Director Wiles encouraged all to go vote.
  - 12.3.5 Director Wiles also inquired about the new person to replace Jamie Gunion.
  - 12.3.6 Mr. Ortiz stated that Jessie Klehfoth will be replacing Jamie. She comes to us with a wide variety of skills one being bilingual. Her start date will be November 3, 2015.
  - 12.3.7 Director Wiles said that he reached out to Skate Club of Vail to have an open house. He stated that he spoke to Alicia Davis and that she and Jared are working to firm up a date.

# Vail Recreation District 2016 Preliminary Budget Overview

#### **General Overview**

The following is a brief summary of the condensed preliminary budget found on page 2 of the September 30, 2015 financial report. Supporting details for the amounts can be found on the corresponding detail pages which have been provided in a separate file using pages 3 and 4 which show references to page numbers in the detailed pages.

#### Revenues

- Taxes- The assessed valuation of the District increase 14% as 2016 is a revaluation year by the County assessor. Also, the number of properties under appeal has decreased substantially so we have more confidence that the majority of the taxes we levy will end up being collected. The operations mill levy of the District cannot increase without voter approval so will remain at 2.76 mills and the mill levy dedicated to payment of the Dobson bonds will automatically fluctuate down from 0.288 mills to an estimated 0.275 mills for 2016. Specific ownership taxes on motor vehicles are also included in the tax amounts, which are estimated to be 4.5% of property taxes. Deducted from these revenues is the 3% fee for collections withheld by the Eagle County treasurer.
- Other Non-Departmentalized- This includes interest revenues and funds received from lottery ticket sales. Also, like 2013-2015, the District will transfer \$30,000 of the \$150,000 of funds available from the forfeiture of non-vested former employee retirement contributions made to them by the District to cover a portion of the District's 2016 retirement contributions to current employees.
- **Sports** With Ford Park complete and a restructuring of the Kid's Adventure Games during 2014, 2016 revenues will be relatively comparable to 2015. Staff is proposing some fee increases as well as a rebound so some programs that saw declines in 2015, for an overall increase in revenues.
- **Gymnastics** This program has seen a number of ups and down over the past several years due to competing facilities down valley and changeover of staff. We feel we have worked out a number of issues and continue to rebound the program in 2016 with revenues budgeted in the middle of 2014 actuals and 2015 projections.
- Community Programming- 2015 saw a decline in revenues but with the addition of an additional staff member, minor adjustments, and some increases in programming, we feel we can bring revenues back to exceed both 2014 and 2015 levels.
- Nature Center & Nordic- Only revenues for sharing of Camp Eco-Fun and from hiking will
  come into Nature Center since we continue to partner with Walking Mountains. Nordic
  revenues expected to be similar to 2015.
- Golf- With construction of the clubhouse expected to continue through August 15th, revenues
  are expected to decrease over the amounts forecasted for 2015 as operations will be affected,
  most noticeable in food and beverage. The District is planning to operate minimal food and
  beverage out of the starter house during construction and then re-open the Grill on the Gore
  on August 15<sup>th</sup> with staff remaining on after the close of the season to provide an in-house
  food option for banquet room bookings.
- **Tennis-** Programs and revenues are expected to remain consistent.
- Dobson- Revenues in 2016 were bumped up by rink rental and food and beverage sales from the Volvo event. As such, overall revenues are will not be as much as 2015 but still show an increase over 2014. This is even with Skate Club of Vail no longer renting dedicated ice time.
- **Banquet Room-** We are planning for booking 5 events to be held in the fall of 2016 once the clubhouse construction is complete.

# **Operating Expenses**

- Many departments are requesting pay increases for hourly staff which have largely been incorporated into the budget. Also, the majority of salaried staff are budgeted for a 3% pay increase. Additional merit bonuses for outstanding performance, if given, would be funded through the contingency line item if the District is able to meet or beat the overall 2016 budget.
- Administration- The 2016 budget has reduced amounts for legal fees to defend an appeal from the suit related to the golf clubhouse but includes additional costs to conduct a TABOR election in May of 2016.
- **Public Relations** We have a new director starting shortly so the budget has been set based on historical spending with adjustments between line items to be made by our new team member.
- Park Maintenance- After having Ford Park under construction in 2013-2104 the parks department returned to full operations mode in 2015 and will continue this into 2016.
   Increases in staffing levels are the primary reason for cost increases in 2016.
- **Facilities Maintenance** 2016 budget is consistent with 2015 as there is little room for change due to the majority of expense being payroll and benefit driven.
- **Sports** 2016 shows an increase in expenses, driven by the desire to restructure staffing to have co-managers as well as additional summer staff to try and keep up with the ever expanding programs being offered.
- **Gymnastics** A second full-time staff member was added back to the program during 2015 and will continue into 2016 to help revitalize the program. As such, overall expenses will increase slightly for 2016.
- Community Programming Proposed to bring one additional person as a full-time hourly staff member at a reduced benefits load level to stabilize the program and slightly increase programming. The majority of other programs and related expenses are consistent with 2015.
- Nature Center & Nordic Will once again pay Walking Mountains a fixed fee to provide programming, plus continue to be responsible for the upkeep of the facility. Nordic expected to mirror 2015.
- Golf Operations Operating expenses are expected to decrease slightly in 2016 due to
  construction of the new clubhouse. Food and beverage will be relatively minimal out of the
  starter house until August 15<sup>th</sup>, at which time the Grill on the Gore will re-open and after the
  end of the season staff will be kept on to offer a food alternative for bookings at the banquet
  room.
- Golf Maintenance- After struggling with getting and retaining qualified staff, the 2016 budget
  calls for both staff compensation and level increases. The majority of other operating
  expenses are comparable to 2015 forecast.
- Tennis 2016 programs and related expenses are consistent with 2015 except for that the
  materials and labor for spring court revitalization are increases since they were included as
  part of the laser re-leveling costs in capital for 2015.
- Dobson 2016 programs and related expenses are consistent with 2015, except for a
  decrease in skating club is offset with other programming and the costs from the Volvo event
  will not repeat. Also, a dedicated food and beverage person is budgeted for 2016 to provide a
  consistent product for programming and events.
- Banquet Room- The District will hire an events promotion and operation person in the spring that will be promoting and planning for the opening of the facility in the fall of 2016. Costs for providing food and beverage to the events center for bookings are also included.

#### **Debt Service and Capital**

- **Debt Service-** 2014 was the final year of making payments to the Town of Vail for loans on the Gymnastics and Dobson facilities. The only remaining debt service costs consist of the Dobson bonds, which are paid for through the offsetting property tax mill levy.
- Capital- 2015 is forecasted to be higher than normal as the District intends to fund \$1,100,000 towards the clubhouse project as well as regular ongoing capital projects. A number of capital projects have once again been deferred to a future year as there are not sufficient funds to complete all needed projects. The 2016 Capital budget of approximately \$1,030,000 includes:
  - o Routine vehicle and equipment replacements-\$140,000
  - o Routine upkeep of facilities and equipment- \$290,000
  - o New fleet of golf carts- \$335,000
  - o Planning and design for 2 bridge replacements and starter house remodel- \$130,000
  - 15% Contingency for unforeseen needs and cost increases- \$135,000

**Contingency**- With the construction of the clubhouse and the related unknown effects on golf revenues and timing related to food and beverage transitions the contingency line item has increased for \$100,000 normally used to \$200,000 in 2016.

**Fund Balance**- The 2016 budget calls for ending fund balance to be roughly \$2,400,000, with \$900,000 of such being assigned to future capital spending (primarily the starter house remodel project, bridges, and a long list of other projects for which \$900K is not sufficient to complete) to allow the District to maintain the goal of \$1.5 Million for operations (\$300,000 for restricted for the Dobson Bonds, \$100,000 is restricted for emergencies by TABOR, and the remaining \$1.1 Million is equal to roughly 3 months of operating expenses).
