Vail Recreation District 2024 Budget Overview

General Overview

The following is a brief summary of the condensed preliminary budget found on page 2 of the September 30, 2023 financial report.

Revenues

- **Taxes-** The assessed valuation of the District, after deduction for the Lionshead TIFF, increased by 35.5% for 2024 as this is a revaluation year by the County assessor. This increase is net of both a reduction in the assessment rates and actual valuations as required by Senate Bills 22-238 and 23B-001. The County estimates that the State is supposed to backfill \$213,000 of this loss, which is included as an additional revenue line item. The operations mill levy of the District will adjust from 3.862 to 4.008 mills due to changes in state-wide property assessment rates and there will also be an abatements mill levy of 0.001 mills imposed to recoup prior year abatements. Specific ownership taxes on motor vehicles are also included in the tax amounts, which are estimated to be 3.75% of property taxes. Deducted from these revenues is the 3% fee for collections withheld by the Eagle County treasurer.
- **Other Non-Departmentalized-** This includes interest revenues of \$530,000 and funds received from lottery ticket sales. Interest rates have increased dramatically and are estimated at 5.25% for 2024.
- **Sports** 2024 revenues will be relatively comparable to 2023 with some programs expected to have decreased participation but with increased rates as many programs were at full capacity in 2023.
- **Gymnastics** 2024 revenues will be relatively comparable to 2023 with some increased participation and rates. Both years show an increase in revenues due to hosting the meet.
- **Community Programming** 2024 revenues will be relatively comparable to 2023, with increased program fees which are partially offset by not budgeting to receive any grant funds in 2024 after receiving \$13,500 in 2023.
- **Nature Center-** This program was transferred to the Town and as such there are no revenues or expenses for 2024.
- **Nordic-** 2024 revenues are expected to increase from 2023 due to increases in rates and similar participation levels.
- **Golf-** Revenues are expected to increase in 2024 as we will not be under construction in the spring and most rates are proposed to increase.
- **Tennis-** 2024 revenues will be relatively comparable to 2023 with minimal increases in rates and similar participation levels.
- **Pickleball-** 2024 revenues will increase from 2023 as the timing of annual pass sales caused a decrease in 2023.
- **Dobson-** 2024 revenues will be relatively comparable to 2023 with minimal increases in rates and similar participation levels.
- **Golf F&B / Banquet Room-** 2024 revenues will be relatively comparable to 2023 with minimal increases in rates and similar sales.

Operating Expenses

- **Personnel** Continued increases in hourly wages for seasonal/part-time staff are budgeted for 2024 to keep up with the labor shortages being experienced. Year-round wages were adjusted in October 2023 based on the compensation study and only staff that did not receive an increase at that time will receive raises in 2024. Additional merit bonuses for outstanding performance, if given, would be funded through a portion of the contingency line item if available. Instead of repeating in each department below, the increase in wages is the primary driver of the increased costs from 2023 to 2024 in nearly all departments.
- Administration-. Insurance rates are expected to increase by 9% based on state-wide increases as well as increased property replacement values.
- Public Relations- Generally consistent with 2023 forecast other than labor.
- Park Maintenance- Generally consistent with 2023 forecast other than labor.
- Facilities Maintenance Generally consistent with 2023 forecast other than labor.
- **Sports** Generally consistent with 2023 forecast other than labor.
- **Gymnastics** Generally consistent with 2023 forecast but fully staffed for full year.
- **Community Programming** Another full-time employee was added mid-year in 2023, otherwise generally consistent with 2023 forecast other than labor.
- **Nature Center** This program was transferred to the Town and as such there are no revenues or expenses for 2024.
- Nordic- Generally consistent with 2023 other than labor.
- **Golf Operations** Generally consistent with 2023 other than labor and elimination of the 1st Assistant position (retirement).
- **Golf Maintenance-** Another full-time employee was added in the fall of 2023, otherwise generally consistent with 2023 forecast other than labor.
- **Tennis-** Generally consistent with 2023 other than labor.
- **Pickleball-** Generally consistent with 2023 other than labor, 2023 included a full-time employee for part of the year that is now multiple hourly/seasonal staff.
- **Dobson** Generally consistent with 2023 other than labor and not planning on the spike in natural gas costs we experienced in early 2023. Continued utility and maintenance cost increases are anticipated.
- **Golf F&B / Banquet Room-** Another full-time employee was added in the fall of 2023, otherwise generally consistent with 2023 forecast other than labor.

Debt Service and Capital

- **Debt Service-** The District has no debt.
- Sale of Assets- Sale of cart fleet in 2023 and snowcat in 2024.
- **Capital-** 2024 budget of approximately \$4,719,000 includes the following:

 - New Golf Cart Fleet- \$610,000 (trade in of \$125,000 accounted for in 2023)
 - New Snowcat- \$275,000 (trade in of \$45,000 in sale of assets above)
 - Replacing equipment/vehicles- \$237,000
 - o Routine building and other maintenance- \$198,000
 - Remodel of the hole #13 restrooms- \$90,000
 - Renovation of lawn/wedding area at Clubhouse- \$150,000

 - o Completion of Athletic Field Irrigation System- \$68,000
 - Enhancements to the Athletic Field building reconstruction- \$200,000
 - Dobson renovation- \$0 (assume Town funded through 2024)
 - Costs also include 15% for contingency- \$600,000
- **Contingency** A contingency line item of \$300,000 has been included for unforeseen swings in operating revenues or expenses.
- **Fund Balance-** The 2024 budget calls for a \$1,048,000 deficit due to capital spending. Fund balance is estimated to end 2024 at roughly \$9,041,000, allowing the District to maintain \$3,308,000 for operations, \$463,000 restricted for emergencies by TABOR, and \$350,000 for non-spendable items such as prepaid insurance and golf/nordic/food & beverage inventory. The capital reserve fund of \$4,920,000 will be carried forward for spending on projects in future years.
