### Additional information:

#### How to prove residency?

- To prove residency you must show proof one of two ways:
  - License and property tax t or
  - License, utility bill, and proof of current lease

#### What does it mean to play "space available"?

• To play space available means that you didn't book a tee time. Instead, you showed up to the course, checked in with the proshop,

and then waited at the first tee waiting upon a "space" to become "available". If/when the starter has a cancellation or someone drops off after 9 holes it's very likely you will be able to play! Using the space available option allows restricted passes to play when they are otherwise forbidden from making tee times.

#### Can someone with a greater booking window book a tee time for me? (Platinum pass booking out 14 days for a Silver Passholder)

• Yes they can, but the person with the higher level of pass has to be there on that day to play with the tee time they booked or else the tee time will not be valid.
