Minutes of the Regular Meeting Of the Board of Directors

Vail Park and Recreation District dba Vail Recreation District September 24, 2020

A Regular Meeting of the Board of Directors of the Vail Recreation District, Town of Vail, Eagle County, Colorado, was held on September 24, 2020 at 5:00 p.m. via virtual meeting, in accordance with the applicable statutes of the State of Colorado.

## **1. MEMBERS PRESENT**

1.1. Tom Saalfeld, Jason Plante, Kim Newbury Rediker, Kirk Hansen, Roland Kjesbo (joined during executive session)

## 2. MEMBERS ABSENT AND EXCUSED

2.1. None

## 3. STAFF PRESENT

3.1. Mike Ortiz, Jessie Klehfoth, Dan Timm, Jared Biniecki, Alice Plain, Jerry Stevens, Beth Pappas, Joel Rabinowitz

## 4. OTHERS PRESENT

- 4.1. Brian Stockmar
- 5. CONSULTANTS PRESENT
  - 5.1. Eric Weaver

## 6. CALL TO ORDER

6.1. Director Saalfeld called the meeting to order at 5:00 p.m.

## 7. CHANGES TO AGENDA

7.1. Mr. Weaver noted that the agenda stated the 2021 budget and 2021 program fees would be reviewed and adopted during this meeting, however they will not be adopted until the October meeting, the September meeting will be for review and discussion only.

## 8. APPROVAL OF MEETING MINUTES

- 8.1. By motion duly made and seconded it was unanimously RESOLVED to approve the minutes of the July 23, 2020 regular meeting.
- 9. PUBLIC INPUT FOR MATTERS NOT OTHERWISE ON AGENDA

#### Vail Recreation District September 24, 2020 Meeting Minutes

#### 9.1. None

## **10. EXECUTIVE SESSION**

- 10.1. By motion duly made and seconded it was unanimously RESOLVED to move into executive session for the purpose(s):
  - §24-6-402(4) (a), C.R.S., Concerning the purchase, acquisition, lease, transfer, or sale of any real, personal, or other property interest. – 1300 Westhaven Dr, Vail, CO
- 10.2. By motion duly made and seconded it was unanimously RESOLVED to move out of executive session.

## 11. REVIEW OF 2021 PROGRAM FEES

11.1. Programs fees were reviewed department by department as presented in the board packet. After some discussion, the Board thanked all the directors who participated in the discussion and for putting these fees together. A second review and adoption of the 2021 program fees will take place during the October regular meeting.

#### 12. GALLAGHER AMENDMENT B RESOLUTION OF SUPPORT

- 12.1. Mr. Weaver explained how the Gallagher Amendment has put a financial strain on many special districts across the state of Colorado. When VRD asked for the mill levy increase a few years ago, the ballot questions also de-Gallagherized the VRD so the district is no longer affected by the amendment. On the state ballot this year is a question, Amendment B, that freezes the residential assessment rate. While VRD is no longer affected, it is still affecting many other special districts in the area and state. Mr. Weaver asked the board to consider adopting a resolution of support for Amendment B.
- 12.2. After some discussion, it was unanimously RESOLVED to adopt the Resolution Supporting the Repeal of the Gallagher Amendment of 1982 as presented in the board packet.

#### 13. AUGUST 2020 FINANCIAL AND REVIEW OF PROPOSED 2021 BUDGET

13.1. Mr. Weaver wanted to start the discussion on the 2021 budget. He said the main philosophy is assuming that COVID-19 will still be present throughout next year and will drive business decisions. Over the past month, Mr. Ortiz, Mr. Weaver and Mrs. Heredia sat with each department to review 2021 proposed budgets and that's how the budget in the packet was created. For many of the budgets, they stayed similar to what we are seeing in 2020.

#### Vail Recreation District September 24, 2020 Meeting Minutes

- 13.2. Mr. Weaver did say the main change to what is in the packet is the capital budget didn't account for the second half of green renovation in the fall of 2021, the budget that will be reviewed in October will include an additional \$255,000 in capital expenses for the fall greens renovation project.
- 13.3. Mr. Weaver said he has also gotten word from the county assessor that the hotel appeals that have been backlogged and planned for have mostly been settled, so he believes that the \$300-\$400K contingency that had been built in will no longer be needed.
- 13.4. Mr. Weaver explained that he'll be giving the Board a much more detailed memo going into the October meeting that they will be able to study once the budget is more concrete with one more month of planning and revisions.
- 13.5. After some discussion, the Board thanked Mr. Weaver for all the work. Mr. Weaver thanked the staff this year for moving the timeline up one month and for all their hard work getting the proposed budgets done.
- 13.6. The public hearing and adoption of the proposed 2021 budget will take place at the October regular board meeting.

## 14. EXECUTIVE DIRECTOR INPUT

14.1. Mr. Ortiz thanked staff for all they've done throughout the whole year. The admin team is planning an end-of-summer party to thank the staff for all their hard work and ability to adapt to the COVID-19 business era. Mr. Ortiz encouraged the Board to go and visit each of the facilities and take in the various programs that the District puts on, to give each director a whole new perspective when talking to the community about everything the VRD does.

## **15. BOARD MEMBER INPUT**

- 15.1. Director Rediker thanked staff for how well the Businesses, Bogeys & Bragging Rights charity golf tournament went today. She thanked Mrs. Klehfoth and Mrs. Wadey for all their work and said everyone had a great time.
- 15.2. Director Hansen thanked the Board for the creative discussion today, and complimented Mr. Ortiz for being a strong leader and having a great team.
- 15.3. Director Kjesbo reiterated that the tournament was fun and was thankful that it had been delayed due to weather as it turned out to be a great day. He also added that he thinks we should be taking credit cards in advance for golf and pickleball and charging for no shows. He feels this is becoming an industry standard and thinks it will get people to be better about calling in to cancel. He thought the new intervals at the golf course were working well, and thanked Mr. Weaver for all the education on the Gallagher Amendment. He also said the food and service at the Grill on the Gore restaurant have been great. He also asked about the plan for the greens renovation this fall.

#### Vail Recreation District September 24, 2020 Meeting Minutes

- 15.3.1. Mr. Ortiz said that yes, the plan is to start the renovation on number 7 one week before the course closes. It will mean closing hole 7 for the final week of play, but we will open hole 19 at that time, so there will still be 18 holes in play for the final week of the season.
- 15.4. Director Plante thanked the whole staff for the amazing job done this year with all the difficulties and challenges and increased business. He also agreed with Director Kjesbo that VRD should start taking advance payments for golf and pickleball to discourage no shows. He also thanked Mr. Weaver for the great budgeting help and said he's proud to be on this Board.
- 15.5. Director Saalfeld asked if the greens closure could be communicated to golfers. He said he's volunteered for a couple of the races and witnessed firsthand how hard all the staff works. He said it's great to see all the other departments chipping in and how it runs like a well-oiled machine.

#### 16. ADJOURNMENT

16.1. Upon a motion duly made and seconded it was unanimously RESOLVED to adjourn the Regular Meeting of the Vail Recreation District Board of Directors.

Respectfully Submitted, Jessie Klehfoth Secretary to the Meeting

# Vail Recreation District 2020 Preliminary Budget Overview

## **General Overview**

The following is a brief summary of the condensed preliminary budget found on page 2 of the September 30, 2020 financial report. In regard to the impact of COVID19, the District has assumed that we will continue to have to deal with the effects much like we are currently, with limited indoor programs and functions possible but increased demand for outdoor programs.

## Revenues

- **Taxes** The assessed valuation of the District, after deduction for the Lionshead TIFF, increased 0.8% for 2021 due to new construction as this is not a revaluation year by the County assessor. Additionally, the multiple hotels within the District that were disputing their valuations for 3 years have now been resolved, heavily in favor of the County Assessor meaning little to no impact to the District. The operations mill levy of the District will remain adjusted to 3.778 mills due to the decline in the state-wide residential assessment rate from 7.20% to 7.15% in 2020. For operations there will also be an abatements mill levy of 0.009 mills imposed to recoup prior year abatements. With the Dobson Bonds now paid off the District will eliminate the 0.235 mills previously levied. Specific ownership taxes on motor vehicles are also included in the tax amounts, which are estimated to be 5% of property taxes. Deducted from these revenues is the 3% fee for collections withheld by the Eagle County treasurer.
- **Other Non-Departmentalized** This includes interest revenues and funds received from lottery ticket sales. 2021 shows a decline due to the reduction in interest rates earned on invested funds.
- **Sports** 2021 revenues will be relatively comparable to 2020 forecast with limited capacities and many indoor programs not able to be held.
- **Gymnastics** As long we are able to keep the gym open under Eagle County protocols, we expect 2021 revenues to be above 2020 due to the gym closing for several months in 2020. We are seeing an increase in demand for the programs offered but are not budgeting to be able to hold the meet at Dobson.
- **Community Programming** Revenues are expected to rebound as we plan for increased capacity numbers for state licensing. Imagination Station and other programs at the Lionshead facility are budgeted to largely remain closed.
- **Nature Center-** This program was transferred to the Town and as such there are no revenues or expenses for 2021.
- **Nordic-** We are planning for the facility to be in high demand and have budgeted for increased revenue to due both price and participation increases.
- **Golf-** Revenues are expected to be in-between what we saw in 2019 and 2020 as there may not quite as much demand as we are hopeful the nation will not be completely shut down coming into spring like it was last year. The main budgeted decrease is in pass and punch card sales, as we had off the chart increases in 2020.
- Tennis- Like golf, revenues are expected to be in-between 2019 and 2020 forecast.
- **Pickleball-** Revenues are expected to be consistent with 2020, no tournament is budgeted at this time.
- **Dobson-** We are budgeting for continued significant limitations on programming and participation, coupled with little to no event revenues (effects both rink rental and F&B). Overall revenues are consistent with 2020 forecast.
- **Golf F&B / Banquet Room-** Revenues are largely expected to remain consistent with 2020 forecasts under the assumption that events will continue to be largely limited in 2021. Should protocols change we are planning in the background to be able to ramp up quickly as bookings, should the events be able to be held, are very high.

## **Operating Expenses**

- **Personnel** Continued increases in hourly wages are budgeted for 2021 to keep up with the labor shortages previously experienced. Year-round salaries staff are budgeted to receive an average of a 1.8% pay increase well, weighted more heavily towards employees at the lower end of the pay scale. Additional merit bonuses for outstanding performance, if given, would be funded through a portion of the contingency line item if available.
- Administration- 2021 will include a full year of wages for our Human Resource Manager. Not having any election costs in 2021 is offset by anticipated increase in insurance and other costs.
- **Public Relations** Generally consistent with 2020 budget as 2020 forecast shows savings for not advertising during the spring when we weren't sure we would be able to open programs due to COVID19.
- **Park Maintenance** 2020 saw extra costs as we transitioned department heads. Although no events are planned at this time the fields will continue to receive great care to prepare them for when events return.
- Facilities Maintenance 2021 budget is consistent with 2020 as there is little room for change due to the majority of expenses being payroll and benefit driven.
- **Sports** Most items generally consistent with 2020 with many programs and events not budgeted to be able to be held.
- **Gymnastics** With anticipated increased participation comes additional costs, primarily in staffing as well as travel and registration costs for meets.
- **Community Programming** Costs will increase as we are offering Wednesday schools out camps which increases staffing costs. Additional capacity during the summer also increases staffing costs.
- **Nature Center** This program was transferred to the Town and as such there are no revenues or expenses for 2021.
- **Nordic-** Budgeting for increased staff due to the anticipated high demand. Expenses also include continued expenses for rental fleet replacements.
- **Golf Operations** Most increases are related to being fully staffed in 2021, plus the addition of a third year-round staff position who will also work in the Nordic Center during the winter months.
- **Golf Maintenance-** Most items generally consistent with 2020, with the addition of topdressing several of the fairways to attempt to remediate the bumps in some sections of the fairways.
- Tennis- Expenses largely in line with the 2020.
- **Pickleball** Planning to increase staffing levels to handle the demand and additional time needed to handle the reservation system.
- **Dobson** –Expenses remain lower, similar to 2020 forecast, due to limited programs and events. Expenses include events, food and beverage, and general operations.
- **Golf F&B / Banquet Room-** Budgeting to hire back some positions due to restructuring. Although we are not budgeting for the banquet room to be back in full swing, we have to be prepared for when it does as the calendar is already heavily booked should the events be able to be held.

## **Debt Service and Capital**

- **Debt Service-** The Dobson bonds were paid off in March of 2020, meaning that the District is now debt free.
- Capital- 2021 projects include but are not limited to:
  - Chip timing system for races
  - o Replacement of unrepairable Imagination Station exhibit
  - o Replacing equipment/vehicles
  - o Routine building maintenance
  - o Golf course cart path overlays
  - o Tennis center interior remodel
  - o Golf maintenance interior facility remodel
  - o Athletic filed irrigation system replacement (contingent on TOV cost sharing)
  - o Completion of replacement of first 6 greens and starting of second 6
  - o Laser leveling and deep clay replacement at tennis center
  - Costs also include 15% for contingency.
- **Contingency** A contingency line item of \$300,000 has been included for unforeseen swings in operating revenues or expenses.
- **Fund Balance** The 2021 budget calls for revenues to be \$380,000 short of expenses, due to capital spending in 2021 deferred from 2020. Fund balance is estimated to end 2021 at roughly \$4,700,000, allowing the District to maintain \$1.5 Million for operations, \$305,000 restricted for emergencies by TABOR, and \$175,000 for non-spendable items such as prepaid insurance and golf/Nordic/food & beverage inventory. A capital reserve fund of \$2,730,000 will be carried for ward for spending on projects in future years.

SUMMARY OF SIGNIFICANT VARIANCES:

PROPERTY TAX REVENUES- Hotel protests largely resolved, remaining assumed to be resolved in 2021.

SPORTS REVENUES- Facility rental and some summer programs hit hard by COVID19.

COMMUNITY PROGRAMMING REV- After school stopped in the Spring and Summer Camps at reduced capacity

GOLF REVENUES- Record pass sales and daily fees still holding up. Pro shop will be down due to reduced inventory.

DOBSON REVENUES- Still many unknowns going into the winter season. Now forecasting Ski Swap as the only remaining event to be held in 2020.

GOLF F&B/ BANQUET REVENUES- Summer and fall events expected to minimal.

ADMINISTRATION EXPENSES- Savings in delayed hiring HR position, no election, insurance, and other costs where possible.

PUBLIC RELATIONS EXPENSES- Savings while facilities closed and delays in marketing due to phased reopening timeline unknown.

COMMUNITY PROGRAMMING EXPENSES- Savings from temporary closures and reductions in programming.

DOBSON EXPENSES- Savings in utilities, cost of goods, and other areas. Not reflected is that Dobson staff worked at the golf course, which saved in golf maintenance labor.

GOLF BANQUET/ F&B EXPENSES- Savings in labor, cost of goods, and other areas with Gore Range Room revenues expected to be down significantly.

CAPITAL- Most projects that can be deferred pushed to next year. New fleet of golf carts and starting on 6 additional greens the majority for 2020.

CONTINGENCY- Increased from \$200K to \$300K for additional unknowns due to COVID19.

FUND BALANCE- Savings at end of 2019 rolled forward to 2020.

## VAIL RECREATION DISTRICT DIRECTOR REPORTS October 16, 2020

## MARKETING

- Marketing has been busy working with each department on content for the all-VRD winter brochure. We are in the final review stage and hope to have these printed and ready for distribution by early November.
- Marketing has also been coordinating with Dan Timm on winter Nordic plans and a new Nordic Center brochure that is almost complete. We are pleased to announce that in addition to buying Nordic passes online, guests will now be able to buy day passes and schedule group and private lessons online. Clinic registration will also be sold online. The benefits of this are fewer in-person financial transactions to adhere to COVID-19 protocols and keep staff and guests safer, while also allowing peace of mind to guests who want to make their reservations in advance. We will also have a better count of how many visitors and rentals to expect each day, which should ease some daily burdens on the staff. Nordic season passes are already available for purchase online at <u>www.vailrec.com/register</u>, and the rest of the options will follow shortly.
- Numerous press releases and email newsletters have gone out recently, including promotion for open gym and adult league volleyball, a Vail Golf Club greens project update, Trick or Treat Trot, Dobson Arena programming, details on the final few races of the season, and more.
- Jessie has been involved in the interviews for the Group Sales Manager position and is very excited by all of the great prospects.
- We continue daily ads on local radio stations, weekly interview on KZYR radio and thriceweekly ads in the Vail Daily promoting all the great programs and activities across the VRD.
- Jessie and Nell are working on new 15-second teaser videos for many of the VRD departments and programs that will be added to the new website when it is launched, as well as for use in social media ads. We're excited to be able to showcase the VRD offerings in a more dynamic way. We just completed one for tennis and are working on pickleball next.
- While COVID-19 is keeping us from attending our annual marketing conference in person, we're excited to be able to join in virtually to the Adobe Max creativity conference from October 20-22. We're looking forward to still being able to participate in many of the educational sessions and learn about the new software releases coming up.
- Last week we said goodbye to Bobby Cornwell, our summer marketing coordinator. Bobby was a great addition to the marketing team for the summer and is a very talented photographer who was able to capture new photo and video assets for all of our VRD programs and events. If you have a need for a family photographer, please keep Bobby Cornwell Photography in mind.

#### GOLF

- Business at the golf course has continued to be busy through the fall and through closing weekend on October 18.
- Three of our PGA staff competed in the West Chapter Championship on October 5 and 6 at Aspen Glen Golf Club. Nathan Mead, Trey Johnson and Ethan Neumann competed. We were the only course in the state who had three PGA professionals from one golf course playing. Nathan Mead and Trey Johnson also competed in Denver at Valley Country Club for the Colorado PGA Chapter Championship.

- Our 2020 Women's Club Champion is Meg Christensen. Men's Club Champion is Todd Mossa and our Senior Division Champion is Bob Essen. Our Senior Club Champions are Beverly Roble and Jerry Oliver.
- 394 kids participated in the Vail Junior Golf Program during the course of the summer. This
  is a huge increase from our past season but solely due to an increase in available junior
  programming as a response to the pandemic. With a huge demand for junior golf, we
  decided to expand our program offerings to include a Monday Play Day, Wednesday
  Beginning Camp, Thursday Intermediate Camp, and Friday Advanced Camp on top of the
  originally planned First Tee Junior Camps. Each day of clinics had three separate time slots
  to allow for a 4-to-1, student-to-teacher ratio. Although it was difficult to maintain
  organization and staffing for this additional junior programming, it was greeted with very
  positive feedback as golf was an oasis for many during a tough year in the world. This fall,
  Trey Johnson put together a Vail Mountain High School golf instructional program. This was
  offered to boys and girls who wanted to learn the game, as well as kids who missed the cut
  for the high school team. The program ran from September 16 to October 16.
- Our fall tournaments were successful. Because of COVID-19 we were able to offer tee times for the events versus having a shotgun. This included the Vail Mountain School Invitational on September 15. The VMS team had their most successful season in school history. They qualified as a team for the first time in the history of the golf program and finished fifth overall in the state tournament. The BB&B was well received, and we had a full field with 32 teams on September 24. Many teams dressed up this year, following the theme of golf movies. The most popular costume was Carl Spackler from Caddyshack.
- Staff has been meeting with our merchandise sales representatives and placing retail orders for 2021. We have met with Callaway, Cobra/Puma, Bridgestone, Adidas, FootJoy, Levelwear and PRG. We plan to bring in a couple new accessory vendors for 2021 as well as some new women's fashion lines.
- Our Vail Golf Club operations staff has been stellar this year with all the challenges we faced throughout this season. They continue to have a positive attitude every day and provide great customer service. Thank you to all our staff at the Vail Golf Club this year!

#### **GOLF MAINTENANCE**

- The golf course has remained in good condition over the last month despite dry, warm weather and a long spell without natural precipitation.
- We entered into irrigation restrictions per our agreement with ERWSD in late September when Gore Creek flows went below 20 cfs at the Red Sandstone station. Cooler temperatures and shorter days are here, so this is not a concern for the remainder of the season unless we encounter unseasonably warm weather for the remainder of October.
- Greens renovation on holes 1, 5, 6, 7, 11 and 14 will commence the week of Oct. 19, following the last day of golf on Oct. 18. Total Turf Golf Services was the contractor selected. Their resume of work is one of the best in the business.
- Once excavation of 5 green commences, some of the excavated material will be taken to the blue tee and gold/green tee sites on hole 6 for us to reorient the blue tee and expand the gold/green tee.
- We will begin aerating and deep-tining the greens the week of Oct. 19.
- Following greens aeration, we will monitor the weather for application timing of snow mold fungicides, overseeding with bentgrass, and sand topdressing to put them to bed for the winter.

- With tees and fairways having been aerated already and fertilized, the only remaining item left to complete on them is to apply snow mold fungicides. We will also apply sand topdressing to a couple of fairways in a start to a new program that will be expanded in 2021. The topdressing will smoothen the fairways, as well as help protect the turf from winter damage.
- A compressor will arrive on Oct. 26 for winterization of the irrigation system. The process takes two to three days depending on the weather and course conditions.
- Following the closure of the golf course, at some point soon after, the safety net at 5 tee complex will be removed and replaced.
- The lower driving range nets will be removed the week of Oct. 19, and a new lower net that has already been purchased for the south side will be installed in the spring of 2021.
- We are working on a tree removal plan for greens 3, 7, 13, 16, 19 and the practice green. These are the greens that are shaded in the spring and fall resulting in extended frost delays, greater winter damage potential, and overall weaker turf susceptible to a variety of stresses.
- COVID-19 protocols continue to be emphasized with staff, with social distancing, face coverings, and frequent hand washing and disinfecting of our common areas leading the most important procedures.

## COMMUNITY PROGRAMMING

- KidZone After School is open and busy Monday, Tuesday, Thursday and Friday. We did not see a drop in our participation when PwrHrs began on September 21.
- KidZone Wednesday 5th Day Camp is open and has been successful from the beginning. We were the only program in Eagle County for three or more weeks. We continue to be the busiest program with 30 to 35 participants every week. We are successfully helping the children get through their schoolwork in the mornings and have great adventures and craft time in the afternoons.
- KidZone hosted five days of School's Out Camp the week of October 12-16. Participation was light (as expected) as many parents are able to take time off during October. Still, we had mid-teens to low-twenties every day of the week.
- We will offer one Cocktails & Canvas on November 13. Lauren of Alpine Arts Center will lead the evening and she will have her staff host. We will not have VRD staff present in order to protect our staff and our Red Sandstone Elementary School community.
- We do not plan to open Imagination Station for the 2020-21 winter season. Because Imagination Station staff work in essential programming at Red Sandstone Elementary School, Imagination Station will remain closed in order to protect Imagination Station staff and especially Red Sandstone Elementary School staff, children and families.

#### SPORTS

- We would like to send our sincere gratitude to our participants, partners and staff for a successful summer. Amidst a global pandemic, we were able to safely put on three whitewater races, seven trail running races, fifteen mountain bike races, ten youth sports camps and six adult leagues, and we couldn't have done it without the support of these groups. While challenging at times, we are so proud of what we accomplished together for this community.
- We are working on recaps, thanking all of our partners, and already working on a 2021 summer calendar.

- We have produced two high school mountain bike invitational races in partnership with VSSA. The first race on October 10 was very successful and included teams from the surrounding area (Vail, Cycle Effect, Glenwood, Summit and Leadville). The upcoming race on October 24 will include all the aforementioned teams, as well as several additional teams from around the state. Thank you to the Town of Eagle for the support in making these races happen. We are quite proud to be entrusted to produce a couple of races for these youth who had their regular season cancelled.
- Our last outdoor adult league, 8v8 soccer, will be wrapping up on Monday with the championship game. Our first adult indoor programs offered will be drop-in volleyball at Red Sandstone Elementary School on Friday nights from 6:15 to 9:15 p.m. and adult co-ed volleyball league which will take place coming up on Wednesday evenings at Homestake Peak School. These programs will adhere to strict protocols including mask wearing and limited numbers. Open gyms will be limited to the first 20 people arriving at the gym. After launching volleyball, we hope to add basketball and soccer to the offerings in the coming weeks.
- Youth outdoor soccer will end next week with very good participation and enthusiasm, numbers were up significantly from last fall. We are working with the school and their different timing of athletic offerings to come up with youth offerings that will work in the gyms around their sports. We are hopeful to offer High County Hoops, youth futsal and youth volleyball programs.
- We are working with land managers and Vail Resort's staff on coming up with a winter racing program, that include several new ideas. Hopefully, we will have final approval soon and can announce to the public.
- We have begun work on the Ugly Sweater Run that will benefit the food bank and toys for tots. We are looking at either December 5 or 12, more information coming soon.

## PARKS

• Ford Park, the athletic field and Donovan Park have been aerated, fertilizer and seed have also been applied. Irrigation blow out is completed on all fields. Justin will be applying fungicide to the fields on Tuesday.

## PICKLEBALL

- The Golden Peak Pickleball Center reopened for outdoor play May 2, and despite operational changes due to COVID-19, had a very successful summer season.
- The reservation system has worked well and there has been an average of 139 players per day or 16,906 total player reservations for the four months from June 1 to September 30 at Golden Peak. Now that we are past the peak summer season and there are more courts available, we are adding weekly round robin sessions to the programming at Golden Peak.
- Annual and winter VRD pickleball passes are currently on sale and can be purchased online at the VRD website. So far, we have sold 60 new 2020/21 annual passes for the season that began October 1, 2020 and ends on September 30, 2021. We sold 156 summer passes for the 2020 outdoor season that runs from June 1 to September 30, nearly five times the number of summer passes sold last year.
- We had 156 juniors registered for our summer junior pickleball clinics compared to 14 juniors last summer.
- When the weather dictates an end to the outdoor season at Golden Peak, we will play indoors at Red Sandstone Elementary School on Wednesday and Thursday nights from 6 to

10 p.m. and on Saturday and Sunday from 10 a.m. to 3 p.m. Indoor play will be allowed by reservation only and with strict adherence to COVID-19 guidelines, including face covering and social distancing requirements.

## **GYMNASTICS**

- The first fall recreational class session has been a huge success with full after-school class programs and a high number of individual class drop-ins.
- A new ski and snowboard class has been added on Thursday evenings with Justin Holder, an aerial ski coach who has spent time coaching Olympic athletes both on skis and on trampolines. This class was full during our first 10-week session.
- The competitive team has increased its numbers this fall. Competition is set to begin in January at the Sweetheart Invitational in Loveland, CO.
