Silver Pass	The walking pass, if you don't take a cart this will be your best value option!
Bronze	The super saver for evening warriors. Price point matters most.
Gold Punch Card	Best value for a cart rider who plans to play up to 10 rounds and possibly wants to bring along non-passholders to play with them.
Silver Punch Card	The punch card for walkers. People who plan to play up to 10 rounds and possibly want to bring along non-passholders to play with them.
Bronze Punch Card	The super duper saver for evening warriors who will play a limited number of times and possibly want to bring along non-passholders to play with them.
Young-Adult Pass	Exceptional deal for golfers between the ages of 18-29 still paying off student loans.
Adult-Junior Pass	Perfect for the parent introducing their kid(s) to the game and wants to do it in the evenings.

# FAQ's:

## How do I prove residency?

- To prove residency you must show proof one of two ways:
  - License and property tax bill
  - or
  - License, utility bill, and proof of current lease

## What does it mean to play “space available”?

- To play space available means that you didn't book a tee time. Instead, you showed up to the course, checked in with the proshop, and then waited at the first tee waiting upon a “space” to become “available”. If/when the starter has a cancellation or someone drops off after 9 holes it's very likely you will be able to play! Using the space available option allows restricted passes to play when they are otherwise forbidden from making tee times.

## Can someone with a greater booking window book a tee time for me? (ie. Platinum pass booking out 14 days for a Silver Passholder)

- Yes they can, but the person with the higher level of pass has to be there on that day to play with the tee time they booked or else the tee time will not be valid.

## Ok great, but what if I have the Silver Pass (restricted before noon Fri-Sat-Sun) and they book a tee time at 10am on a Saturday?

- No, you cannot join that tee time. The only way to avoid the “time of the day” playing restriction is to play space available.
